The Sixth Sense

en/ “It is certainly one of the most experimental, one of the funniest, one of the most daring...” writes Paul Pairet about his new and rather theatrical Shanghai restaurant, Ultraviolet. Booking is mandatory, as Ultraviolet only seats ten diners. Pairet is the brains behind the Jade on 36 and the Mr & Mrs Bund-Modern Eatery.

in/ “Yang jelas restoran ini adalah salah satu yang paling eksperimental, lucu, dan nekat...” tulis Paul Pairet untuk menjelaskan karakter gerai barunya, Ultraviolet. Reservasi wajib hukumnya karena restoran ini hanya menampung 10 tamu. Pairet adalah otak di balik Jade on 36 dan Mr & Mrs Bund-Modern Eatery. uvbypp.cc.
